

Essay writing is a common assignment in high school or college courses, especially within the humanities. You'll also be asked to write essays for college admissions and scholarships. In a short essay (250-500 words), you will need to provide an introduction with a thesis, a body, and a conclusion, as you would with a longer essay. Depending on the essay requirements, you may also need to do academic or online research to find sources to back up your claims.
